The following operational conditions for "Seasonal" sites only must be reviewed and accepted by the campsite or dock patron.

Operational Conditions for Seasonal Campsite and Dock Use at Onoville Marina Park During the COVID-19 Pandemic

1. Onoville Marina Park may only operate to provide sites rented on a seasonal basis. All camping units used for this purpose **MUST** be self-contained and not needing the use of campground restrooms and/or shower facilities.
Please note: Units and/or sites meant for transient and recreational overnight use cannot be occupied at this time. Only when NYS lifts the restrictions on non-essential services can Onoville Marina Park be issued a revised permit.
2. All campers must remain at their campsite except for essential needs including medicine, food, medical care or exercise.
3. No outside visitors or guests are permitted to enter campground areas. Campsites are limited to one family unit, already isolating as a unit.
4. All areas of congregation and/or places of public gathering, whether indoors or outdoors, including but not limited to the children's playground, pavilions, restrooms, bathhouses and other areas of family and children's attraction are currently considered non-essential and must remain closed.
5. No equipment can be made available for use or rental.
Please note: Seasonal patrons may request a life jacket if needed from Marina staff; life jackets must be returned directly to Marina staff for sanitization after use.
6. All onsite campground and dock patrons and employees are required to maintain proper social distancing and/or wear masks covering their mouth and nose while in public in accordance with New York State guidelines.
7. Laundry facilities will remain closed.
8. Shower and restroom facilities will remain closed.
9. The entrance building/ticket booth will be closed to all patrons.

10. All commonly touched surfaces must be sanitized regularly throughout each day.
11. Exchange and handling of money is discouraged. All payments should be handled electronically, online, or via credit card wherever possible.
12. Campsite and dock patrons must sign this statement indicating they have received, understand and will abide by these rules. The signature verification must be retained by management at Onoville Marina Park.

I have read the *Operational Conditions for Seasonal Campsite and Dock Use at Onoville Marina Park During the COVID-19 Pandemic* and will comply with all conditions. I fully understand that this temporary permit issued to me for seasonal campsite and/or dock use will be revoked if any of these conditions are not followed.
